

## DJORDJE ILIC - CV

Throughout my work experience, I had the opportunity to prove myself as a mature and hardworking fresh graduate who relishes challenges by taking a step away from my academic background and developing detailed approach to project and event management, coupled with the ability to communicate comfortably at all levels.

### Skills

Experience in communication with people and studios, individuals and other organisations, writing and editing e mails and official conversation documents.

Detailed approach to project/event planning and realization; involvement in complex projects with time constraints / experience in working under pressure.

### Languages

Serbian (native)  
German (B2)  
English (C1)

### IT Skills

Adobe creative package  
Google Sketchup  
Lumion - rendering tools  
Vectorworks  
Microsoft Office
